

CAM Certification by Humphreys & Associates

CAM Certification exam preparation
via self-paced online courses or five
day intensive classroom instruction.

Topics Include

- Planning, Scheduling and Budgeting
- Accounting Considerations
- Analysis and Management Reports
- Organization
- Revisions and Data Maintenance

Options for Course Work

5 Day Classroom Instruction

Ideal for anyone who prefers a fast-paced interactive learning environment with expert EVM instructors.

Online

Ideal for anyone with limited time available or budget; no time away from the job or travel is required.

Why the H&A CAM Certification Program?

- Demonstrates a level of EVM expertise
- Learn from the experts
- Quality, in-depth content
- Gain a broader and deeper base of EVM knowledge

Key Features of the H&A CAM Certification:

- Flexible schedule options include fast paced, team learning environment or self-paced learning environment – you choose what works for you
- Reduced time and cost to achieve a certification via focused, intensive course work
- Quickly enhance EVM knowledge base and analytical skills that can be immediately applied to day-to-day project management activities
- Professional credibility that can be leveraged for more and better opportunities
- Earn AACEI or PMI course credits (CEUs or PDUs)
